

Promotional Registration Fee for BEAM Plus Projects Outside Hong Kong

The terms and conditions for applying promotional price of HK\$2,000 for non-Hong Kong projects are as follows:

- (a) For projects outside Hong Kong that wish to apply BEAM Plus Interiors (BI) Version 2.0, the fee scale set for Hong Kong projects shall apply if it is more favourable to the Applicants. The current fees for local BI projects are HK\$100 to HK\$1,100.
- (b) In case there is an application that is a “Re-certification”, i.e. applying for renewal before the expiry of a current BEAM Plus certificate, the fee scale set for Hong Kong projects shall apply if it is more favourable to the Applicants. (For example, if the building owner is HKGBC’s Patron Member and the building holds a valid BEAM Plus Existing Buildings (EB) Certificate, the current renewal fee is HK\$1,620.)
- (c) In case the application is for the Selective Scheme under BEAM Plus EB, the promotional price of HK\$2,000 can cover **at most TWO aspects**. For any additional aspect, an extra registration fee of HK\$1,000 per aspect shall be charged.
- (d) When the non-Hong Kong fee of HK\$2,000 is applied, no other discounts such as NGO discount and Member discount would be applicable.
